Latino Families Conference Held at MHS...

Our first annual Latino Families Conference was held on Saturday, October 4.....

The main goal of the conference was to develop engaging, strengths-based partnerships among school staff, families, and the community. Over 300 families signed up to attend the event which featured music, food, college and local organization exhibits, workshops, prizes, and family fun activities.

I am very appreciative of the efforts of our staff who organized this conference. Their names are below.

Mellie Crespo
Denise Batista
Violet Sims
Colleen Kubinski
Karen Lapuk
Amy Alejandro
Bailyes Irrizary
Ezequiel Alejandro
